

29 APRIL 2019

# Bobblewood Bugle

Spring is in the air ... and the soil, and the rain, and the flowers and our hearts! That first occasion of the year when children can head outdoors coat-free is one of tremendous celebration - who knew coats to be so bothersome! The very next day, temperatures plummet and with a wry smile Spring reminds us not to get ahead of ourselves thinking it's Summer. Away go the paddling pools and barbecues, for now anyway. Spring really is the season for Mindfulness in this regard, urging us to appreciate the wonders that are on offer in huge abundance now; summer will have it's time to shine (hopefully!) Here at Bobblewood, our masters of Mindfulness are living, breathing and feeling every moment of their precious childhoods and the outdoors is providing the perfect setting. Just take a look!

# Ma Ma Owl Award

Congratulations to the recipients of this month's Ma Ma Owl Award for outstanding achievement. Our two Bobblewood superstars have demonstrated great creativity and innovation. They have both received one of our much coveted gold badges and certificates and their names will be placed into the Award Book. Well done both!

## PARTY TIME

An early invite to our annual Garden Party on:

**Saturday 8th June**

with bbq, games and activities.

Babies, toddlers and 2-3's:

**10am-12pm**

Rising 3's and Preschool:

**1pm-3pm**

## School Visits

We are hoping by now that all our Preschool families have received confirmation of their child's school place starting in September and that you are happy with the placement. The Preschool Team will now be liaising with children's respective Foundation Stage teachers to arrange visits and to share information that will support transition. We will let you know as soon as we hear.

## Closures

Just a quick reminder that the nursery will be closed for the May Bank Holidays on

**Monday 6th & 27th May**

## PARENTS EVENING

We will be holding parents evenings during the weeks commencing the **10th, 17th and 24th June**. These are a great opportunity for you to meet with your child's Key Worker to discuss your child's progress and development over the past 6 months. You will receive a copy of their latest Progress Summary as well as suggested next steps and targets. Appointments will be arranged with Key Workers who can hopefully find convenient times for all.

## GRADUATION

To celebrate all their wonderful achievements, we will be holding a Graduation Ceremony for our Class '19 Preschool Leavers. This will take place on

**Tuesday 2nd July**

We hope you can make it. Exact timings and details to follow.

## Spotlight

There has been a great deal of media coverage recently of the rising number of measles cases both in this country and around the world. As a potentially very serious illness particularly to the most vulnerable in our communities, we feel it is important to consider protecting ourselves against it. It is not our place to advise or dissuade on vaccination against the illness. However, what we can do is arm ourselves with all the relevant information and ensure we are in full possession of the facts. Click [here](#) for a recent BBC news article, [here](#) to view the most updated government press release, and [here](#) for NHS guidance on the MMR vaccine.
